

GULMARG SKIING ESCAPE

Trip dates: Any day

8 days / 7 nights (Flight not included) (Visa included)

Gulmarg is one of India's best destinations for travellers who want to learn skiing systematically rather than simply enjoy the snow. This 8-day itinerary is suitable for beginners with average fitness and combines ski training, winter landscapes and the peaceful mountain atmosphere of Kashmir. Skiing is snow-dependent, therefore the program remains tentative and may be adjusted according to weather and snow conditions.
